Dear Mr. Bíró András Zsolt,

We would like to express our gratitude to You for excellent organization of Kurultaj event took place on August 6-8, 2010 in Bugac.

Kurultaj, where representatives of Turkic people all over the world gathered together, is a significant contribution to approachment of nations and mutual understanding through acquaintance with culture and history of each other.

Thanks to your kind invitation delegation from Azerbaijan was also able to participate at Kurultaj. Performance of Ancient Musical Instruments Ensemble at Kurultaj was met with interest by spectators. It was another chance to show the richness of Azerbaijani culture and the beauty of Azerbaijani music, as well as to meet with representatives of other countries.

I do believe that You will continue this beautiful tradition and during the Kurultajs held in the future Azerbaijan will be represented by bigger delegation.

Taking this opportunity, we would like to thank You again for your efforts in restoring ancient traditions of Turkic world and wish You every success in your future activities.
