Further information

36 Countries have officially entered to The World Championship. The final entry names can be found on our web site under the "Final Entry List" Excel document list. We wish you all pleasant journey to Hungary and a successful Championship.

On behalf of the Chairman of the C/L Subcommittee, Bengt-Olof Samuelsson, I have been asked to announce that, during the World Champs in Hungary, there will be a Seminar on Noise Reduction

in classes F2C, F2D and F2F. Preliminary date is July 29th (Thursday). More information will be published when it is available. The Seminar is free of charge and all people interested are welcome to join and contribute to the discussion.

Announcement for F2C :

The F2C Panel of Judges have defined with the organiser the opening and closing times of both the F2C contest circle and the F2C training circle, plus any noise curfew times applicable to this particular site.

The official F2C contest circle will be closed for unofficial training each morning and will remain closed until all official training and racing is finished for the day.

All official training sessions will be carefully timed so that each team will have precisely the same amount of practice time.

A list of the official training times will be posted during the evening of the day before each official racing day, together with the starting list. Teams should be ready to enter the circle as soon as they are called. Once in the circle no team should start their engine until the start of their official training session is signalled.

Please note that at this site no flying whatsoever will be permitted after 20.00 (8 pm)."

Registration Saturday 24 of July, Until 8 p.m at Registration Room. (Terminal Building)

GPS coordinates: N 46° 40' 49.98" , E 21° 7' .23"

Others

Every team should bring their national anthem on a CD and two national flags (approximately 1 by 1.5 m size). These will be returned after the prize giving ceremony together with the FAI licences.

See the enclosed maps to locate places of registration, processing, opening ceremony, temporary camping site and the flying area.
