

Tool Kit Compartment

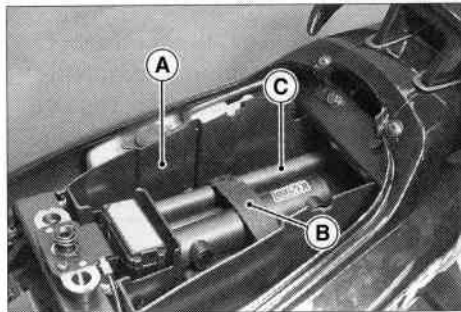

The tool kit is stored in the tool kit compartment under the seat. The minor adjustments and replacement of parts explained in this manual can be performed with the tools in the kit.

A. Tool Kit

Storage Compartment

In the rear portion under the seat is a storage compartment. Use it to keep a U-shaped lock, the owner's manual and any paper or documents that should be kept with the motorcycle.

A. Storage Compartment

B. Lock Strap

C. U-shaped Lock
