In the vil - lage of Kil - do - rey, — there lived a mai - den fair,  
Her eyes they shone like dia - monds, she had long and gol - den hair,  
And the coun - try - man came ri - ding, up to her fat - her's gate,  
Moun ted on a milk white stal - lion, he came at the stroke of eight.  
Step it out Ma - ry, my fine dau - ghter, Step it out Ma - ry, if you can,  
Step it out Ma - ry, my fine daugh - ter, Show your legs to the count - ry - man.
