School-days o - ver, come on then John

5 e G A

Time to be get-ting your pit boots on

8 D h f# h G

On with your sack and mole skin trous - ers, Time you were on your way

12 D h e A

Time you were learn-ing the pit-man's job And earn-ing the pit man's pay.

**Come on then Jim, it's time to go,
Time you were working down below
Time to be handling a pick and shovel,
You start at the pits today
Time you were learning the collier's job
And earning a collier's pay.**

**Come on then Dai, it's almost light
Time you were off to the anthracite
The morning mist is on the valley,
It's time you were on your way
Time you were learning the miner's job
And earning a miner's pay.**
