DATA SECURITY

I have put in place appropriate security measures to prevent your personal data from being accidentally lost, used or accessed in an unauthorized way, altered or disclosed.

Your personal data is protected usually by password protected webserver database provided by hosting company or encrypted in the local databases.

Suitable protection of local databases, to avoid any lost, use, alteration, disclosure or access in an unauthorized way, is the responsibility of the users.

While I implement safeguards designed to protect your information, no security system is impenetrable and due to the inherent nature of the Internet, I cannot guarantee that data, during transmission through the Internet or while stored on our systems or otherwise in our care, is absolutely safe from intrusion by others.

DATA RETENTION

I will only retain your personal data for as long as necessary to fulfil the purposes I collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements.

To determine the appropriate retention period for personal data, I consider the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorized use or disclosure of your personal data, the purposes for which I process your personal data and whether I can achieve those purposes through other means, and the applicable legal requirements.

In some circumstances you can ask me to delete your data: see "request erasure" below for further information.

COOKIES AND OTHER TRACKING SCRIPTS:

I may use cookies and similar technologies on the Services. Cookies are packets of information sent by the Website's servers to your web browser and then sent back by the browser each time it accesses the Website's servers.

A cookie is a small file which asks permission to be placed on your computer's hard drive. Once you agree, the file is added and the cookie helps analyse web traffic or lets you know when you visit a particular site. Cookies allow web applications to respond to you as an individual. The web application can tailor its operations to your needs, likes and dislikes by gathering and remembering information about your preferences.

A cookie in no way gives us access to your computer or any information about you, other than the data you choose to share with us.

Some of the cookies may expire when the session ends and you exit your browser. Other cookies are saved on your computer's hard drive. Most web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you wish to block the Website's cookies, then please use the help button in your browser and follow the necessary instructions (accept or decline cookies). However, bear in mind that disabling cookies may complicate or even prevent your use of the Website, or certain features thereof. This may prevent you from taking full advantage of the websites.

I may use cookies for various purposes, such as to save you the need to re-enter your username and password each time you log in, to facilitate the use of the Website, to collect statistical information, to verify information, and to customize the Website to your personal preferences and for information security purposes.

I have never done any special cookie to be used on my websites.

THIRD-PARTY LINKS

These websites may include links to third-party websites, plug-ins and applications. Clicking on those links or enabling those connections may allow third parties to collect or share data about you. I do not control these third-party websites and am not responsible for the protection and privacy of any information which you provide whilst visiting such sites which are not governed by this privacy statement. When you leave my website, I encourage you to read the privacy notice of every website you visit.

SPECIFIC LEGAL RIGHTS FOR USERS LOCATED IN THE EEA REGION

You may contact me at tamas.csorgo@gmail.com for more information or to exercise any of these rights:

- request access to your personal data
- request correction of the personal data that we hold about you
